Sir:

In response to the Decision Dismissing Petition under 37 CFR 1.47(b) mailed August 29, 2002 (Paper No. 7, copy attached hereto), Applicant hereby responds to the deficiencies noted in that dismissal:

- 1) The last known address of the non-signing inventor is:

James Janesick
19311 Surfwave Drive
Huntington Beach, California 92648.

- 2) The above-identified application was filed November 8, 2001 without an executed oath or declaration and naming James Janesick as sole inventor. Accordingly, on February 5, 2002, a "Notice to File Missing Parts of Nonprovisional Application" was mailed, requiring an

executed oath or declaration and surcharge be filed no later than April 5, 2002 (without extension) to the latest possible response date of August 5, 2002.

Hence, Applicant states that this petition under 37 CFR 1.47(b) is necessary to preserve its rights in the present patent application inasmuch as the application will go abandoned if Applicant fails to fully respond to the outstanding Notice of Missing Parts. Abandonment of this application would result in irreparable damage to Applicant.

In view of the above assertions, Applicant submits that it has now complied with each and every requirement for a grant of this Petition. Consequently, Applicant hereby requests that the Commissioner reconsider the dismissal of Applicant's Petition.

Should anything further be required, please contact the undersigned at (312) 876-7391.

Respectfully submitted,

Jordan A. Sigale
